

An hourglass with a blue sand-like texture. Inside the top bulb are a liver, a lung, and a kidney. Inside the bottom bulb are a pair of kidneys, a lung, and a large intestine. A purple, glowing, wireframe-like structure resembling a DNA helix or a molecular model is positioned vertically, passing through the narrow neck of the hourglass. The background is light blue with faint hexagonal patterns.

INVITATION

ONCO-HUB DAY 2026

Don't Make Them Wait
